Due on *Thursdays*

UKS2 (Years 5 and 6)

Curriculum Overview

Autumn 1 2026 - 2027

PSHE

Me and My Relationships

Computing

KS2 Curriculum

French and Music

KS2 Curriculum

Science

Space

Pupils will learn about the universe, our Solar System and the behaviour of the Earth and the Moon.

Geography

People and Population

Pupils investigate the factors affecting population density and population growth, including the impact of healthcare and industry on their local area?

Art

African Masks

Pupils will learn about the history of African tribal masks and their use and the history of relief sculptures. They will then create their own cardboard tribal mask relief sculpture.

Art

Bridges

Pupils will learn about the different types of bridge structure then will design and create their own bridge using a variety of materials.

R.E.

What does it mean if Christians believe God is Holy?
